

AED Trainer

HeartStart Trainer

Product No.: M5085A – Price: \$335.00

CPR and first aid instructors can help empower their students with awareness of HeartStart Defibrillators and how to use them to save lives. The HeartStart Trainer simulates how you will operate during a real-life sudden cardiac arrest event. Clear, confident voice instructions provide easy-to-follow directions and eight pre-configured scenarios to make training easy and more rewarding. The trainer is visibly different to avoid inadvertent use in an emergency. The HeartStart Trainer comes with a nylon carrying case, one reusable Adult Training Pads Cartridge (M5073A) and one External Manikin adapter.

(FOR ALL MANIKINS)
